American Storytelling- Josepha Sherman's Rachel the Clever & Other Jewish Folktales

Although the 46 tales in this collection are as varied as their distant origins- Poland, Spain, Morocco, Yemen, and central Asia, for example nearly all of them are stories that have been carried and passed on by immigrants to America. Hence, in some ways this collection is a world tour between two covers but not at the expense of the unifying element common to these stories: their uniquely Jewish flavor, "an emphasis on doing the right thing, on surviving by cleverness and kindness and on the need for keeping a good sense of humor". Recommended for adults and young readers aged 9 and up.
