## Bobath Concept: Theory and Clinical Practice in Neurological Rehabilitation

Authored by members of the British Bobath Tutors Association, *Bobath Concept: Theory and Clinical Practice in Neurological Rehabilitation* is a practical illustrated guide that offers a detailed exploration of the theoretical underpinning and clinical interventions of the Bobath Concept.

This book guides the reader through general principles to more specific application of neurophysiological principles and movement re-education in the recovery of important areas, including moving between sitting and standing, locomotion and recovery of upper limb function.
