Book Analysis: The Hunger Games BookBuddy

WARNING: This is not the actual book *The Hunger Games* by Suzanne Collins. Do not buy this *Analysis* if you are looking for a full copy of this great book. Expand your reading experience with the help of this literary analysis of *The Hunger Games* to gain new perspectives and challenge your mind. As you explore *The Hunger Games*, question the characters' motives and decisions while considering parallels of today's practices with promptings from this comprehensive analysis. In a post-apocalyptic America, impoverished Districts struggle under the rule of the totalitarian Capitol while teenagers fight to the death in the annual event called *The Hunger Games*. This novel is the first in a trilogy by Suzanne Collins, and it follows a rebellion through the eyes of 16-year-old Katniss Everdeen. An instant bestseller, *The Hunger Games* is appropriately compared to *Star Wars* and other popular science-fiction series. Readers explore Panem, the nation built upon the ruins of America, while witnessing the disparity of poor working towns versus the overindulgent Capitol. Katniss Everdeen provides a unique female narrative to this male-dominated genre. With a sarcastic and somewhat bitter perspective, she develops her own way to play "The Games" and ultimately starts a revolution. Suzanne Collins crafts a well-developed world in *The Hunger Games* where subjugation prevails through descriptive and somewhat graphic language.
