Enoch: A Bigfoot Story Autumn Williams

As a child, Autumn Williams saw two hair-covered creatures standing in the woods behind her home in Washington State. She has spent her entire adult life seeking to understand why those non-human eyes held such an expression of human-like intelligence. What is the nature of a Sasquatch? Is it human? Animal? Or something in-between? How does Bigfoot live? How does it interact with others of its kind? And how would it interact with us? What would we learn about these creatures, if we stopped pursuing them... and they no longer avoided us? One man would finally offer answers to those questions. He is more than a witness. He is the friend of a wild man... and he calls him Enoch.
