Sir Pelham Grenville Wodehouse, KBE (1881 - 1975) was an English humorist, whose body of work includes novels, short stories, plays, poems, song lyrics and numerous pieces of journalism. He enjoyed enormous popular success during a career that lasted more than seventy years, and his many writings continue to be widely read. Despite the political and social upheavals that occurred during his life, much of which was spent in France and the United States, Wodehouse's main canvas remained that of a pre- and post-World War I English upper class society, reflecting his birth, education and youthful writing career. An acknowledged master of English prose, Wodehouse has been admired both by contemporaries such as Hilaire Belloc, Evelyn Waugh and Rudyard Kipling and by recent writers such as Christopher Hitchens, Stephen Fry, Douglas Adams, J. K. Rowling, and John Le Carré. He is best known today for the Jeeves and Blandings Castle novels and short stories. The Return of Jeeves aka: Ring For Jeeves (1953), Bertie Wooster Sees It Through (1955), and The Old Reliable (1951) are all classic Jeeves and Wooster tales. Spring Fever (1948) tells the comical story of a wealthy New York businessman trying to keep his blundering ex-American football player son out of the clutches of a gold digging movie starlet. The Old Reliable (1951) tells a story about what happens following the death of a famous 1920's Mexican star, when the new owner's impecunious brother-in-law, Smedley, thought that among the late owner's personal effects might well be her diary which recorded her chequered love life and he plans to make a bundle on it!
