Hannah Buchanan is the oldest daughter to the Buchanan werelion clan leader, twin to Katie Buchanan, and... and blah, blah, blah. Hannah is a lot of things, but she refuses to be defined by her family and their connections. She's more than an honorable, fertile womb destined for a political mating.

So she's pressing the paws button and retreating to Deals Gap, North Carolina. Her adopted wererabbit sister calls the small town home and it's the perfect place for Hannah to hide. Then she meets the gaze of one green-eyed, black-haired, sexy as all get out werelion-wolf hybrid. He calls to her lioness like no one before. And, well, he should since... he's her true mate!

Too bad for Hannah, her contracted mate followed her to Deals Gap and is determined to have her—even if it means murdering her true mate first. Will her mixed-breed mate be able to take down a pureblood werelion? Or will Hannah end up in a political mating after all?
