Sir Arthur Conan Doyle

Micah Clarke Sir Arthur Conan Doyle

Micah Clarke (1889), one of Arthur Conan Doyle's lesser-known works of historical fiction, is based on the Monmouth Rebellion, also known as the Pitchfork Rebellion, of 1685. The book contains Clarke's statement as made to his three grandchildren Joseph, Gervas, and Reuben during the hard winter of 1734. He wants his grandchildren to have an idea of the fierce and earnest religion which filled not only your own ancestor, but most of those men who were trained in the parliamentary armies. Arthur Conan Doyle was born in Edinburgh in 1859. Sent off to boarding school, he cut his teeth as a story-teller amusing his schoolmates with tales and writing letters home to his mother. He practiced medicine and, in 1900, volunteered as a medic in Africa during the Boer War – he was later knighted for his service. Doyle lost a son, two brothers in law, and two nephews to the Great War. He is remembered for the Sherlock Holmes stories and his novel The Lost World.
