Occupational Health and Safety for the Fire Service with Resource Central -- Access Card Package

Joseph Bruni

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

Occupational Health and Safety for the Fire Service with MyFireKit is intended to aid emergency service managers and leaders with the reducing the injury and death of emergency workers by implementing the latest occupational health and safety standards and regulations. In the continually changing world of emergency services, this text's up-to-date coverage of standards and regulations helps managers and leaders stay focused on current trends such as terrorism, technology, and of course, health and safety. The text also covers technology as a tool to enhance and support the health and safety of emergency responders.
