Prescription for Disaster John Avanzato

Dr. John Cesari is a gastroenterologist employed at Saint Matt's Hospital in Manhattan. He tries to escape his unsavory past on the Bronx streets by settling into a Greenwich Village apartment with his girlfriend, Kelly. After his adventures in *Hostile Hospital*, Cesari wants to stay under the radar of his many enemies. Through no fault of his own, Cesari winds up in the wrong place at the wrong time. A chance encounter with a mugger turns on its head when Cesari watches his assailant get murdered right before his eyes. After being framed for the crime, he attempts to unravel the mystery, propelling himself deeply into the world of international diamond smuggling. He is surrounded by bad guys at every turn and behind it all are Russian and Italian mobsters determined to ensure Cesari has an untimely and unpleasant demise. His prescription is to beat them at their own game, but before he can do that he must deal with a corrupt boss and an environment filled with temptation and danger from all sides. Everywhere Cesari goes, someone is watching. The dramatic climax will leave you breathless and wanting more. Readers have also enjoyed *Hostile Hospital* as a prequel to *Prescription for Disaster*. Avanzato is now working on the third novel in this series, *Temperature Rising*.
