The world knows his face. No one knows his secrets.

Ella Wade knew working at a website called The Daily Scandal might lead to an interesting summer job after graduating college. She did not know that one big mistake would pull her into the heart of a sleazy world of publicity where truths are worse than lies and a murderer is on the loose.

When Ella gives into temptation and sleeps with her stepsister Madison's ex, her world flips upside down. It doesn't matter that Madison is dead or that Jaxson Cole wasn't, in fact, her boyfriend but a publicist's stunt to link two of the hottest catwalk models romantically in order to feed tabloid curiosity. The damage is done and with deadly consequences.

Even worse, Jax definitely knows things he won't say. Falling for his epic hotness could mean one good screw will screw Ella for a lifetime.
