Caring for a Cat with Kidney Failure Sarah Caney

'Caring for a cat with kidney failure' has been written as an information source and support tool primarily aimed at cat owners whose cats have been diagnosed with kidney failure. It is also designed to be a resource for student vets, veterinary nurses and technicians. The science and emotional aspects of dealing with a diagnosis of kidney failure are addressed. The book explains what a diagnosis of kidney failure means and how best to treat this. A case study is included to show how treatment can be successful and there is a glossary of terms used by vets.
