After they'd been dating only a short while, and as they were falling madly in love, Marilu Henner and Michael Brown were hit with the ultimate bad news: Michael was diagnosed with cancer. In this moving and informative book, Marilu pulls back the curtain on how they dealt with the blow. Takeaways, tips, and practical advice make this a useful guide for anyone working to sustain a relationship through the adversity of disease.

Written with an engaging voice, a sense of humor, and life-changing wisdom, *Changing Normal* is a personal and touching look at how Marilu and Michael faced down a cancer diagnosis and came out the other side happier, healthier, and more in love than ever.
