Great College Choices for Psychology Majors

J N Goldstein

Great College Choices for Psychology Majors J N Goldstein

This book will provide information to aid in your college search, focusing on the most important part of the college experience - the education. This guide includes outstanding colleges and universities that offer a psychology major. This volume includes data about the institution, including enrollment numbers, student demographics, admission statistics, cost of attendance, athletics, and other facts about the school. This guide also contains specific information about the psychology department of the college or university. This includes the faculty size, average number of graduates in the major, related majors offered by the school, special academic programs, extra-curricular opportunities, participation in research, and graduate school attendance. In addition, there are tips for selecting a college or university specifically for future psychology majors, as well as general information about the psychology degree.
