## **The Cave** Jose Saramago, Margaret Costa

Cipriano Algor, an elderly potter, lives with his daughter Marta and her husband Marçal in a small village on the outskirts of The Center, an imposing complex of shops, apartments, and offices to which Cipriano delivers his pots and jugs every month. On one such trip, he is told not to make any more deliveries.

Unwilling to give up his craft, Cipriano tries his hand at making ceramic dolls. Astonishingly, The Center places an order for hundreds, and Cipriano and Marta set to work-until the order is cancelled and the three have to move from the village into The Center. When mysterious sounds of digging emerge from beneath their apartment, Cipriano and Marçal investigate, and what they find transforms the family's life. Filled with the depth, humor, and the extraordinary philosophical richness that marks each of Saramago's novels, The Cave is one of the essential books of our time.
