East Asia – a part of the world that thrives on the ethical beliefs of Confucianist philosophy, the citizens priding themselves for their accordance with order and structure. In an environment that cherishes respect and piety, the underbelly of East Asia is surprisingly a vicious force to be reckoned with. So what is it that makes a member of society turn awry in these generally amiable, peaceable cities? In this short collection, we explore three different, very real stories of some of the most heinous crimes committed in Hong Kong, Taiwan, and Japan. We take a look at the disturbed individuals behind these gruesome tales and the journeys that veered them towards their paths of depravity and their disgraceful acts of morbidity, reaching statuses of legendary infamy amongst the communities.

Bundle up and feel your spine tingle as you immerse yourself in the macabre tales of some of the most cruel, but memorable crimes to ever hit East Asia...
