Muscles lost both his parents when he was only eighteen. It left him to take care of his two younger sisters. He had to grow up fast and become the man of the house so that his sisters wouldn't be forced into the foster care system. When the bills begin to get overwhelming for Muscles to pay, he does the unthinkable. He gets trapped into the street life and causes his self to have beef with the notorious Jamaican drug crew known as the Junkyard Crew. They're known to place their victims in cars and crush them into tiny pieces. Now Muscles is stuck and tries to pull away from the streets while trying to survive, making his sisters understand that everything he does is for the love he has for them.
