Karen's the main character of this book. She's a petite little thing who marries into a family from Houston. Lucas, her Father-in-law is a beast of a man and the bane of her and husband Nick's life. He's a control freak and he irks her. However, down deep she knows there's more at play between them. The realization as to what it could be doesn't come to the fore until Lucas catches her in a passionate embrace with the neighbor. From that point on, her life takes a dramatic turn for the worse. Or did it? That's left to the reader to come to his or her conclusion, once they have read the book.

Older-man , younger-woman, Father-in -law, blackmail, submission, domination, strapping, spanking, oral sex, alpha-male, power, wealth and arrogance. There are very detailed and descriptive sex scenes in this book.

All my titles touch on BDSM, domination, submission and the alpha male. The two series that I'm writing at present go into this lifestyle a little further than my short stories. In today's society of relaxed sexual boundaries a lot of women secretly crave the fantasy of submission. For most it's an escape from reality and the everyday pressures of life. I know that a lot of very successful women use the lifestyle, as escapism from their high-powered jobs. It allows them to surrender all decision making to another, even if only for a short spell, maybe just on weekends away from their workplace

Readers who follow the authors listed below would be interested in my style of writing. All my books are very descriptive and detailed. The words paint as real a picture of the erotic action, as any author you may have read in the past.
