Pleasure and the Good Life: Concerning the Nature, Varieties, and Plausibility of Hedonism

Fred Feldman

Pleasure and the Good Life: Concerning the Nature, Varieties, and Plausibility of Hedonism Fred Feldman

Since ancient times, hedonism has been one of the most attractive and controversial theories about 'the Good Life'. On this view, the Good Life is the pleasant life - pleasure is the Good. Now Fred Feldman presents a careful, modern formulation of hedonism, defending the theory against some of the most important objections. Distinguishing some diverse variants of the theory, and assessing their merits, Feldman explains why each deserves to be classified as a form of hedonism. His book offers inspiring vindication for anyone who hopes that it is possible to enjoy oneself and be good at the same time.
