## NEW MATERIAL FROM THE 2005-2006 SEASON

"It's not about me versus Dean, or me against Roy or Dean against Vic Bubas. Duke and Carolina will be here forever."

---Mike Krzyzewski

For fifty years the rivalry between Duke and Carolina has featured famous brawls, endless controversy, long-nurtured hatred---and some of the best basketball ever played in the history of the sport. For Duke and UNC players and fans, the competition is not about winning a prize, trophy or title---it's about bragging rights and raw pride.

*Blue Blood* is a thrilling chronicle of the Duke-Carolina rivalry as it has evolved over the last fifty years. With unparalleled insider access, veteran journalist and author Art Chansky details the colorful, revered, and respected rivalry---for the first time ever.

The Duke-Carolina rivalry has fostered more than thirty former players from the two schools playing or coaching in the NBA; it has enchanted a nation of spectators to watch games between the archrivals---garnering some of the highest regular-season TV ratings in history. *Blue Blood* celebrates the history of this rivalry, the traditions, the heritage, and, most importantly---spectacular basketball.

"You can see the beads of sweat on coaches' and players' faces as the tale by this former sports editor for the *Durham Morning Herald* unfolds."

---*News & Record* (Greensboro, NC)

"A book on this rivalry was long overdue, and Chansky does it justice. This is sure to become a staple of every Tar Heel or Blue Devil fan's library."

---*InsideCarolina.com*

"A holy text for both sides of the rivalry. . . . This book is a coffee table necessity for anyone that claims to have a background in college basketball . . . you need to read this book cover to cover as many times as possible until you can recite from it."---*The East Carolinian*

"I'm biased, but I think this is the greatest rivalry, not just in college basketball, but in all of sports."

---Dick Vitale, ESPN

"Art Chansky has more than learned what Duke-Carolina is all about; he's *lived* it for more than thirty years. His columns, commentaries, and characterizations have long been on the money, and *Blue Blood* puts them all together in an anticipated and entertaining work that reads more like a novel. But truth *is* stranger than fiction, and Chansky tells it just like it is."

---Curry Kirkpatrick, who has covered Duke-Carolina for *Sports Illustrated*, ESPN, and *ESPN the Magazine*
