However, this has not always been the case. She has endured a lot of horror in her life to get to where she is today. And to keep herself together, she invests herself in the children in her classroom. However, there is still something missing in her life. For some strange reason, deep and passionate desires are bubbling beneath her. She has never felt this way before and she doesn’t understand why.

Marcus VanderZanden is the king of all vampires who is on the search for a mate to rule beside him. Five years ago, he sets his sights on a beautiful, dark-haired beauty, but it is not time yet. He must study her carefully, and make sure she is ‘the one’. He must really get to know her without revealing his identity. And most importantly, he must use all his power to make her feel uncontrollable ardent emotions in his presence.
