Turning Points

A P J Abdul Kalam

Turning Points A P J Abdul Kalam

It was like any other day on the Anna University campus in Chennai. I had delivered a lecture 'Vision to Mission' and the session got extended from one hour to two. I had lunch with a group of research students and went back to class. As I was returning to my rooms in the evening the vice-chancellor, Prof. A. Kalanidhi, fell in step with me. Someone had been frantically trying to get in touch with me through the day, he said. Indeed, the phone was ringing when I entered the room. When I answered, a voice at the other end said, 'The prime minister wants to talk with you ...' Some months earlier, I had left my post as principal scientific adviser to the government of India, a Cabinet-level post, to return to teaching. Now, as I spoke to the PM, Atal Bihari Vajpayee, my life was set for an unexpected change. Turning Points takes up the incredible Kalam story from where Wings of Fire left off. It brings together details from his career and presidency that are not generally known as he speaks out for the first time on certain points of controversy. It offers insight not only into an extraordinary personality but also a vision of how a country with a great heritage can become great in accomplishment, skills and abilities through effort, perseverance and confidence. It is a continuing saga, above all, of a journey, individual and collective, that will take India to 2020 and beyond as a developed nation.

From reader reviews:

Kathleen Hernandez:

Book is to be different for each grade. Book for children till adult are different content. As we know that book is very important for all of us. The book Turning Points has been making you to know about other information and of course you can take more information. It is extremely advantages for you. The guide Turning Points is not only giving you considerably more new information but also to become your friend when you sense bored. You can spend your spend time to read your reserve. Try to make relationship using the book Turning Points. You never feel lose out for everything in case you read some books.

Todd Apperson:

Don't be worry should you be afraid that this book may filled the space in your house, you might have it in e-book method, more simple and reachable. That Turning Points can give you a lot of pals because by you investigating this one book you have thing that they don't and make an individual more like an interesting person. This specific book can be one of one step for you to get success. This e-book offer you information that perhaps your friend doesn't learn, by knowing more than other make you to be great individuals. So , why hesitate? Let me have Turning Points.

Robert Long:

That reserve can make you to feel relax. This specific book Turning Points was colorful and of course has pictures on there. As we know that book Turning Points has many kinds or style. Start from kids until teens. For example Naruto or Detective Conan you can read and believe you are the character on there. So , not at all of book usually are make you bored, any it can make you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading that.

Charles Rowe:

A lot of guide has printed but it takes a different approach. You can get it by internet on social media. You can choose the best book for you, science, witty, novel, or whatever by simply searching from it. It is known as of book Turning Points. You'll be able to your knowledge by it. Without leaving behind the printed book, it might add your knowledge and make anyone happier to read. It is most crucial that, you must aware about e-book. It can bring you from one place to other place.
